

Class descriptions

Active Wellness Aerobics - A fun, low impact, aerobics session with easy to follow moves.

Active Wellness Paracise - A gentle, effective workout designed to improve mobility, flexibility and balance. The flowing movements are matched to music.

Amazing Abdominals - Tone and strengthen muscles in the abdomen, lower back and core. Helps support posture, improve stability and enhance your core.

Barre Fit - A fun, low impact workout inspired by elements of ballet and Pilates to improve strength, posture, flexibility and balance.

Body Conditioning - A complete targeted full body workout designed to work your core and muscles with a variety of techniques using bodyweight, dumbbells and steps.

Circuits - A variety of exercises at separate stations to improve fitness, strength and agility.

Clubbercise® - A fun full body workout with a banging soundtrack that gets great results. Classes are held in a darkened room with disco lights and our LED glow sticks.

Energise Yoga - Start with breath awareness through guided breath practice. Continue with a gentle flow using yoga postures to explore opening and moving the body with the breath.

Fighting Fit - The workout that packs a punch! Boxing fitness using pad work and bodyweight exercises for a full body cardio workout. The ultimate way to de-stress.

Functional Circuits - Circuit class using kettlebells, battle ropes, sand bags and more. A workout to challenge your functional fitness and improve your strength and cardio.

HIIT - High Intensity Interval Training using cardio and strength paired with active recovery

HIITStep/HIITCircuit - HIIT workout that uses a step and dynamic bodyweight exercises and sometimes weighted plates and barbells.

Legs, Bums & Tums (LBT) - Using dumbbells and occasionally bands to target key areas.

Les Mills BodyAttack™ - The ultimate cardio workout. High energy class for total beginners to total addicts. Combines cardio with strength exercises. All to energising music!

Les Mills BodyBalance™ - A motivating blend of simple yoga moves with elements of Tai Chi and Pilates. This class will improve flexibility and core strength, while reducing stress levels.

Les Mills BodyPump™ - The original barbell class. Full body workout working all major muscle groups using light to moderate weights with lots of repetition.

Pilates - Low impact class that builds flexibility, muscular strength and endurance, emphasising proper postural alignment, core strength and muscle balance.

Posture & Core - Stretch and strengthen your key postural muscles to stay healthy and pain-free.

Power Pilates - Pilates movements to upbeat music with the added power of hand weights.

Power Pump (& Abs) - Barbell and dumbbell workout, great music, fun class and good results. Friendly class with lots of variety.

Studio Spin - Indoor static cycling. No complex choreography. Fantastic cardiovascular workout!

Total Body Fusion - A dynamic full body approach that combines strength, cardio and flexibility training for a more integrated workout experience.

Yin yoga - Floor-based yoga holding postures for longer, allowing deeper muscles to lengthen. A powerful and mindful practice.

Yoga - Improves flexibility. Helps reduce stress and improve wellbeing.

Y-ROX - Join the latest fitness craze. Y-ROX is a combination of functional exercises, running and more

Zumba - An energising dance fitness workout to Latin and world rhythms.

Zumba Sculpt - All the dance fun of Zumba with a body sculpting focus!
