

New Y-Kids Holiday Club Structure

Here for young people
Here for communities
Here for you

We're excited to introduce a new way to enjoy Y-Kids Holiday Club, giving children the opportunity to spend their day doing the activities they love most.

Crafty Kids

Crafty Kids is the perfect space for children who enjoy being creative and expressing themselves through arts and crafts. Activities include a variety of pre-planned craft projects, colouring stations and hands-on creative activities. Children can explore their imagination and take home their own creations at the end of the day.

Sporty Kids

Sporty-Kids is designed for children who love to stay active and are always on the move. With a range of organised sports, group games, team challenges and energetic activities, children will have plenty of opportunities to burn off energy and develop teamwork skills. Ideal for children who thrive on action-packed play.

Mash-up Kids

Can't decide? Mash-Up Kids is perfect for children who enjoy a little bit of everything. Combining the best elements of both Crafty Kids and Sporty Kids, children can take part in a mixture of creative activities, organised games, sports, and exciting challenges. It's the ideal option for children who like to switch between creative and active play.
