Fundraising Information

YMCA East Surrey is a vibrant, local charity that helps people to enjoy an active and healthy lifestyle, regardless of age or ability. We provide a wide range of wholly inclusive services including youth work, counselling, housing, disability playschemes, sport and physical activity. We aim to help people to believe in themselves and achieve their goals by providing services that focus on those who are vulnerable, have a disability or face disadvantage.

The YMCA Challenge programme was set up to raise money for this charitable work and since 2003 challengers have raised hundreds and thousands of pounds to help those in need across East Surrey. All money raised this year will ensure we reach more vulnerable people, change more lives and reach more goals.

Our suggested minimum sponsorship for this event is £500 and you can set up your unique online fundraising page through www.virginmoneygiving.com or collect an official sponsorship form from our Events Team.
